## About ICARMSEET-2025

The primary objective of the International Conference on Advanced Research in Management Science, Engineering, and Emerging Technology is to provide a platform for scientists, engineers, academicians, industry professionals, research scholars, and students to showcase their research contributions on innovative technologies.

## About The Institute

St. Joseph's College Of Engineering: St. Joseph's College of Engineering stands as a beacon of academic excellence with a legacy spanning 31 years. The institution offers 11 undergraduate and 7 postgraduate programs, accommodating an annual intake of over 1,570 students. Celebrated for its scholastic achievements, the college consistently ranks among the Top 10 in university rankings. Recognized by the National Institutional Ranking Framework (NIRF) since 2017, it secured a distinguished place in the 'Elite Band' under the Atal Ranking of Institutional Innovations and Achievement (ARIIA - 2021). The college has earned A+ accreditation from NAAC with an outstanding score of 3.46 out of 4.00, reflecting its dedication to quality education. Additionally, nine departments have been recognized as Research Centres by Anna University for Ph.D. programs. Since 2014, the institution has held the esteemed status of a Scientific and Industrial Research Organisation (SIRO), granted by the DSIR, Government of India. St. Joseph's has successfully executed 45 sponsored research projects worth ₹2.83 crores and organized 40 faculty training programs amounting to ₹54 lakhs. These initiatives have been funded by esteemed agencies, including AICTE, NRB, DST, SERB, DBT, NRDMS, TNSCST, and Anna University. Further solidifying its research credentials, the college received a FIST grant of ₹71 lakhs from the Department of Science and Technology (DST), Government of India. These accomplishments underscore the institution's unwavering commitment to research, innovation, and academic excellence.

## About The Department

The Department of Management Studies at St. Joseph's College of Engineering, established in 1995, offers high-quality education to shape ethical, analytical, and visionary leaders. The autonomous MBA program admits 300 students annually, including 240 for the 2-year MBA and 60 for the 5-year Integrated MBA. Over the last three years, the department has received ₹61 lakhs in funding from agencies like ICSSR, Government of Tamil Nadu, and NCW, and generated ₹3 lakhs through consultancy projects with companies like Apollo Tyres and Cyril Sea Foods. With 450+ research articles published and strong industry ties with Zoho, IBM, and CII, the department ensures academic excellence and practical exposure. Students have achieved 100% placements in companies like ICICI Bank, Federal Bank, and BNY Mellon, with packages up to ₹15 lakhs. Practical learning through internships, corporate training, and guest lectures equips students to meet industry demands.
